WHO MAY APPLY TO THIS ANNOUNCEMENT:

- Career or career conditional employees and permanent Title 38 employees of the Portland VA Medical Center eligible under the interchange Agreement. Included are permanent employees of the Willamette National Cemetery, Regional Office, Veterans Outreach Center and Veteran's Canteen.
- Any US Citizen

MAJOR DUTIES:

The incumbent independently performs standard examinations. Schedules patients for examinations. Evaluates nature of critical and emergency procedures, and rearranges patients scheduled to accommodate them. Maintains records and files images of patients examined. Cross-indexes interesting cases for teaching purposes.

THIS POSITION IS IN THE BARGAINING UNIT

QUALIFICATION REQUIREMENTS:

Eligibility: Department of Veterans Affairs Qualifications Standards (VA Handbook 5005, Part II, Appendix G19) for GS-601 series, Nuclear Medicine Technologist, applies and may be reviewed in the Human Resources Management Service Office.

Basic Requirements:

- **Citizenship:** Be a citizen of the United States. (Non-citizens may be appointed when it is not possible to recruit qualified citizens)
- **Certification:** All applicants must be certified in nuclear medicine technology by the Nuclear Medicine Technology Certification Board (NMTCB) or American Registry of Radiologic Technology (ARRT). NMTCB or ARRT (N) certification eligibility requirements are normally satisfied by one of the following: graduation from an educational program in nuclear medicine technology accredited by the Committee on Allied Health Education and Accreditation; or national certification as a registered medical technologist or registered radiologic technologist; or a bachelor's or associate's degree in one of the physical or biological sciences, and 4 years of clinical NMT experience
- **Exceptions:** Non-certified applicants who otherwise meet the eligibility requirements for NMTCB or ARRT (N) certification may be given a temporary appointment as a graduate NMT under the authority of 38 U.S.C. § 7405 (a) (1) (D). Failure to obtain certification during that period is justification for termination of the temporary appointment. This may result in termination of employment.

Specialized Experience: **GS-7:** Certification as described in the basic requirements in paragraph 2.b. above, or completion of 1 year experience equivalent to the next lower grade level directly related to the position to be filled, i.e., experience that demonstrates possession of the knowledge, skills, abilities, and other characteristics needed to provide nuclear medicine technology services at that level. In addition, the candidate must demonstrate the following KSAs listed below. **GS-9:** Completion of 1 year of experience equivalent to the next lower grade level directly related to the position to be filled, i.e., experience that demonstrates possession of the knowledge, skills, abilities, and other characteristics needed to provide nuclear medicine technology services at that level. In addition, the candidate must demonstrate the following KSAs listed below.

BASIS OF RATING: (Knowledge, Skills, Abilities (KSAs))

Applicants must demonstrate through their experience or education that they possess the following published KSAs (from VA Handbook 5005) for the grade at which they wish to apply (and grades below that grade if applicable):

GS-7:

1. Knowledge of Nuclear Regulatory Commission (NRC) regulations.
2. Knowledge of the medical sciences such as anatomy, physiology, chemistry, and physics and how they relate to the cardiovascular, skeletal, endocrine, respiratory, gastrointestinal, and genitourinary systems of the human body.
3. Knowledge of radioactive package types, package surveys, and radioactive materials record management.
4. Knowledge of exposure rate calculations

GS-9:

1. Ability to document excessive radiation exposure in the working environment.
2. Knowledge of medical events requiring documentation and the ability to properly document them and make recommendations to the Radiation Safety Officer (RSO).
3. Ability to communicate orally and in writing post-therapy radiation safety precautions.
4. Ability to troubleshoot gamma camera and auxiliary equipment problems.
5. Ability to analyze computer generated data for technical quality and artifacts and initiate corrective measures.

CONDITIONS OF EMPLOYMENT:

This is an Excepted Appointment. Excepted service positions have been excepted from the requirements of the competitive service by law, Executive Order, or by OPM regulation (5 USC 2103 and 5 CFR part 213). Public law No. 108-170 converts this occupational series from the competitive civil service to the Hybrid Title 38 employment system.

Applicants without prior federal service will be appointed at step one of the grade

Although the duty station is shown in this announcement, it may be necessary to utilize the selected person's services at a different location within the Portland VA Medical Center commuting area if conditions require it in the future

Under Executive Order 11935, only United States citizens and nationals (residents of American Samoa and Swains Island) may compete for civil service jobs. Agencies are permitted to hire noncitizens only in very limited circumstances where there are no qualified citizens available for the position.

All information submitted to this VA Medical Center is subject to verification by VetPro.

If you are a male born after December 31, 1959, and are at least 18 years of age, civil service employment law (5 U.S.C. 3328) requires that you must register with the Selective Service System, unless you meet certain exemptions.

A security clearance and a favorable suitability determination are required. Misconduct in prior employment, criminal, dishonest or disgraceful conduct, habitual use of intoxicating beverages, abuse of narcotics, drugs or other controlled substances, or reasonable doubt of loyalty to the United States are examples of reasons an offer of employment may be denied.

Public transit subsidy benefits are available. Carpooling assistance is provided. However, single occupancy parking is limited on main Portland campus.

Eligible employees may be non-competitively reassigned to fill this position as an exception to merit promotion.

Applicants selected for this position may be appointed to a temporary appointment, NTE 13 months, pending completion of boarding process.

A drug test may be required for an applicant who is tentatively selected.

A pre-employment physical examination will be required for an applicant who is tentatively selected.

Applicants appointed to direct patient care positions must be proficient in spoken and written English as required by 38 USC 7402(d) and 7407(d).
